

# Welcome back to

**Dear year five parents,**

**Welcome back to school 📖 I hope you had an enjoyable summer. I am sure that students will certainly have lots of exciting stories to share.**

**I am very thrilled to get to know your children better this week.**

**Every week I will post a newsletter with an outline of what we will be doing over the week and important dates as well. I give spelling quizzes every two weeks.**

**I would like to remind you to encourage your children to do homework alone; this helps me find out what the students understood in class and what they didn't. Therefore, helping me know what to cover again or explain one on one to students. Furthermore, reading is very important; students should read at least 20/30 minutes every day.**

**I believe that open lines of communication between the parent, student and teachers are the key to promote an educational climate that is conducive to learning. You can always help by sending us well-rested children with full tummies who are ready to learn new things. If you have any questions, please do not hesitate to contact me through class dojo.**

**I hope we have a year of great learning ahead of us.**

**Best regards,**

**Reham Ras.**
